

Intra-African Trade Fair will comprise eight verticals, namely:

- **Exhibition** – Participating countries and firms can set up pavilions and exhibition stands which will enable them to customise their exhibition experience to fit their unique requirements. This offers countries, companies and public entities opportunities to showcase their goods and services
- **IATF2023 Conference** – A conference featuring leading African and international speakers and a variety of sessions dealing with African trade and investment. Specifically, the conference will feature dedicated sessions on trade and investment opportunities under the AfCFTA and will also include training workshops covering exporting, standards, and marketing

- **Business-to-Business and Business-to-Government** – Will provide opportunities for matchmaking, business exchanges and conclusion of business and investment deals
- **Country Days** – The country day segment which is open for 5 country sponsorship opportunities will present a platform for 5 selected countries to showcase their trade, investment, tourism and cultural opportunities
- **The IATF Virtual** – Showcasing goods, services and investment opportunities on an interactive online platform
- **Creative Africa Nexus** – The CANEX Summit and Live Theatre Programme brings together creatives from the continent and the diaspora to showcase, exhibit and network with policy makers, prominent investors, financiers, thought leaders and other creative sector practitioners. Featuring top brands, artists, musicians, producers, and distributors, CANEX at IATF2023 will be the biggest gathering of creatives on the continent in 2023
- **The Africa Automotive Show** – The Africa Automotive show will have a dedicated Auto Exhibition, an Auto Forum, and a B2B/B2G for the Auto Industry. Africa Automotive Show will present a platform for vehicle manufacturers, vehicle assemblers, Original Equipment Manufacturers (OEMs) and component suppliers and other automotive industry service providers to exhibit their products and also interact with potential buyers and suppliers. The Automotive Forum will bring together selected Heads of States and Government, Ministers responsible for Trade and Industry and Captains of Industry to discuss key issues affecting the auto industry and provide practical solutions
- **AU Youth Start-Up** – The AU Youth Start-Up segment will have a dedicated Pavilion for Youth Start-Ups in Africa to showcase their goods and services, and IATF2023 will provide opportunities for matchmaking with venture capitalists, entrepreneurship training, networking amongst the youth and other delegates at the IATF
